Make Your Network Mobile

Why Sell Extreme Networks Switches?

- Leader in Ethernet switch technology since 1996.
- Over 30 million ports shipped.
- Ease of doing business.
- Channel-focused sales model.
- Solutions spanning Data Center, Enterprise, Campus, Mobility & Service Provider markets.
- 700+ educational customers worldwide.

Why Customers Choose Extreme Networks Summit X440?

Value

Extreme Networks products offer high performance and a low total cost of ownership:

- Low product acquisition cost.
- Low service/maintenance cost.
- Low training/administration cost.
- Broad functionality from core to edge

Secured Connectivity

Functionality to help protect corporate data and maintain corporate compliance:

- Logically segment users based on identity.
- Dynamically segment users based on location.
- VDI lifecycle management & network.
- Respond to network events with CLEAR-Flow.

Performance

- Up to 136 Gbps switching capacity.
- Wire speed switching performance.
- Low latency.
- Exceptional QoS.
- 10 Gigabit uplinks.
- Dedicated stacking interfaces.

Simplicity

Single operating system across entire product line:

- Automatic port detection & provisioning.
- Widgets & automation simplify operation.
- Automated configuration capability.
- Open architecture for 3rd party integration.
- Cross-stack with other Extreme Networks Summit switches (i.e.: X460, X480, X650 & X670 etc.).

Network Availability

Single operating system across entire product line:

- SummitStackTM for automatic failover.
- Support up to 8 switches in a single stack.
- Modular ExtremeXOS® with memory protection.
- EAPS delivers network redundancy.
- VM lifecycle management at network level to gain application availability & visibility.

Scalability

- Layer 2 MAC addresses support – 16K.
- VLANs - 4094.
- Total trunks – 128 load sharing.
- Layer 2 Multicast groups – 1K.
- IP Multicast groups – 64.

Limited Lifetime Warranty eAHR

- Advanced Hardware Replacement: Next Business Day Shipment.
- Technical Support: Customers may contact the Extreme Networks AHR warranty support line via email, Web form or telephone from Monday-Friday from 8 am to 5 pm (local Extreme Networks TAC time).
